February 13, 2008

The Honorable Robert (Robin) C. Hayes

U.S. House of Representatives
130 Cannon House Office Bldg.
Washington, DC 20515

Dear Representative Hayes:

As a concerned citizen, I am requesting your support for the continuation of the vitally needed services that are provided through the Urban Youth Empowerment Program (UYEP). UYEP is a federally funded program through the Department of Labor's (DOL) Responsible Reintegration of Youthful Offender Program that targets at risk and adjudicated youths between the ages of 18-21. Because of the program's successes, Congress has wisely expanded this program in the recent 2008 Omnibus Appropriations bill under the Reintegration of Ex-Offenders Program.

Urban League of Central Carolinas is one of only 23 sites across the United States to operate this program. The program brings \$420,000 for youth services to the Charlotte/Mecklenburg region each year. Our local UYEP boast some of the highest gains in the nation. Many participants come from diverse and challenging backgrounds. 55% of enrollees were high school dropouts with no prospects for a job or higher education. 64% of female participants were single mothers without high school credentials. I am proud of the outcomes of our Urban League. 72% of all participants completed the program and 84% of those completions resulted in enrollment in higher education (college or trade) or fulltime employment. Through public and private partnerships, the Urban League of Central Carolinas has exceeded its goals for average hourly wages at 133% (33% above goal). Without this program, these young people would find themselves in our jails and welfare systems instead of the productive paths they find themselves in today.

I strongly urge you to send a letter requesting that UYEP be renewed for another three years to:

**Elaine Chao- Secretary of Labor
U.S. Department of Labor
Frances Perkins Building
200 Constitution Avenue, NW
Washington, DC 20210**

Thank you for your continued support of the over 20,000 individuals served by the Urban League of Central Carolinas.

Sincerely,

cc: James Reed, Vice President of Workforce Development, National Urban League
