

RECRUIT, TRAIN, RETAIN AND GROW

NCDOT

On-the-Job Training Program

Urban League of Central Carolinas

NCDOT Highway Construction Trades Academy

This 8-week training course is designed to prepare individuals for a career in the highway construction industries. The goal of the program is to increase opportunities for women, minorities and other disadvantaged populations to gain access in this trade.

The academy offers the following:

- OSHA 10 Certification
- 1-day Flagger Course
- Traffic Incident Management Certificate
- Carpentry Math instruction
- Introduction to construction equipment

Training begins January 21, 2019

ULCC ~ 740 W. 5th Street
