

**Urban
League**

OF CENTRAL CAROLINAS, INC.

Medical Coding Program

The Urban League's **Medical Coding** is a 5-week online course designed for anyone who is preparing for a career in medical coding with little-to-no work experience in the field. The course is strongly recommended for those preparing to sit for the American Academy of Professional Coders (AAPC) Certified Professional Coders (CPC) certification examination. Students will learn the principles of medical coding that will include, but not be limited to, the **Business Medicine**, **Review of Anatomy**, and much more!
